Moments to Remember

"A new highlight--a Homecoming parade--kicked-off R.O.V.A.'s 1968 Homecoming. After the parade Friday afternoon, the football field was the stage for the traditional pep assembly and skits. Before the game, the Snake Dance wound itself around the bonfire, as a Galva Wildcat dummy went up in flames. At Half-time, the coronation of the Homecoming Royalty was followed by the presentation of class floats. The final touch was Saturday night's dance, one of many "Moments to Remember."

R.O.V.A. Varsity Tigers

Football season for the R.O.V.A. Tigers ended with the best overall record in several years although we were unable to capture the "Little Six" Title. With the addition of Galva to the conference, the Tigers encountered more tough competition. But the season's overall record of 6 wins and 3 losses, and Little Six record of 4 wins and 2 losses proved the Tigers to be a tough team, both in the backfield and at the line. Responsible for the coaching of these Tigers were coaches: Jeff Brown and Bill Wise. Good job, coaches!

The R.O.V.A. Fighting Tigers finished their 1968-1969 basketball season with an overall record of 8 wins and 17 losses and a Little Six Conference record of 2 wins and 10 losses. Although the losses out numbered the wins the Tigers, coached by Larry Weber, gained experience for next year. During the season several juniors and two sophomores saw quite a bit of varsity action.

New to the R.O.V.A. gym this year was the addition of boards for player listings and two wooden Tiger mascots.

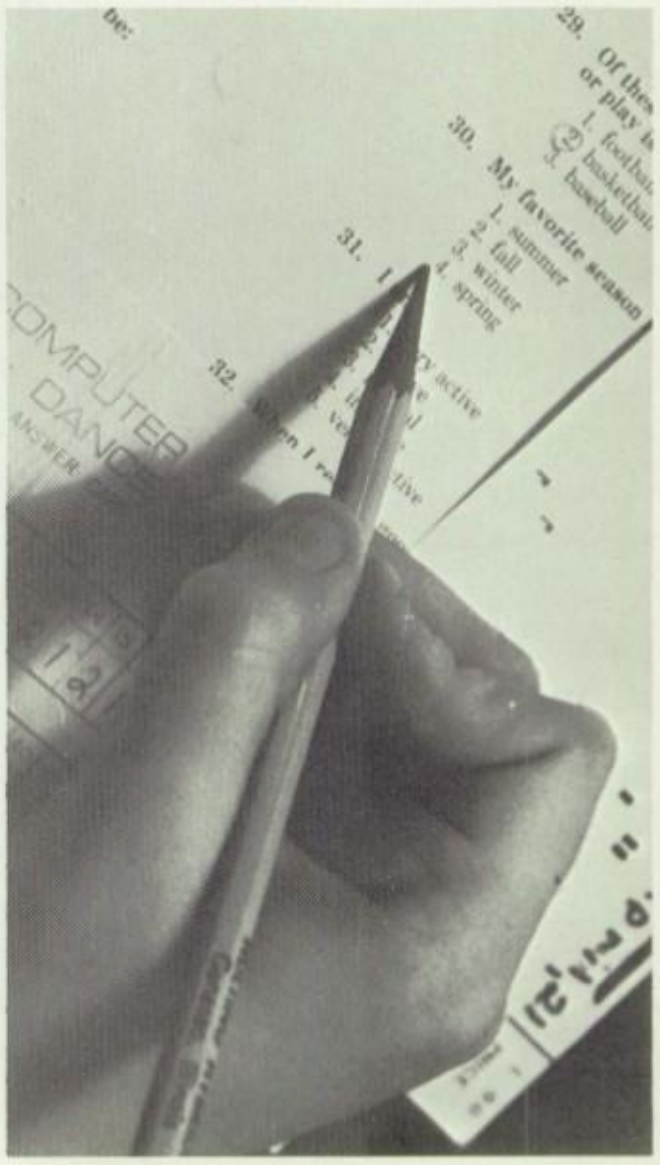
Student Council 1969
This year, Student Council sponsored the Homecoming and Computer Dances. A first this year was an all-afternoon meeting of the Council. Many plans were made. It was a very successful year.



This year the Varsity cheerleaders and Mrs. Behringer felt that there was a need for more school spirit. As a result, the R.O.V.A. Pep Club was formed. The members were known as the Fighting Tigerettes. The main goal was to promote school spirit and to help finance the cost of cheerleading camp. Any member earning 50 points or more received an award. These points could be earned by selling doughnuts at the games, by making posters, or by attending games. The club had a very successful year.

Concert

During the past year, the High School concert band and mixed chorus have performed in several concerts. In the fall, the chorus presented a "light" concert followed by a card party for the parents. December brought a combined band and chorus Christmas concert featuring light, popular music and religious Christmas carols. Our final concert was in the spring and featured selected contest numbers for both band and chorus. The band and chorus received excellent ratings at the contest April 19th at Costa High School.

MIXED CHORUS

Band

The marching band completed a very busy schedule this past year. Aside from providing entertainment during the half-time of home games and Homecoming, the band marched in the Homecoming parade, the Galesburg Christmas parade and the Altona Santa Claus parade. This year's main project for the band has been raising money for new band uniforms, which the band will be wearing next fall.

We, the Class of 1969, step forward into our future, not with regret or fear, but with confidence and courage. The lessons we have learned in the past few years have given us a basis for the greater knowledge that will come. The memories we have accumulated will kindle the fires of pleasurable recollection in future years.

Among the memories which we shall cherish most are those activities that brought us together in service and pleasure. Four musicals, five plays, speech contest, music contest, our prom "Paris By Night", sales projects, home proj-

When we entered high school four years ago, we were afraid and confused just as all freshmen are. As sophomores we began to feel a sense of direction, and purpose, both academic and social. Our junior year brought us unity as a class and responsibility as individuals. Leadership, maturity, and self-awareness began to develop in our senior year. Now we are "not finished; just beginning."

The class of 1969, after twenty years of blood, sweat, and tears has finally decided to reunite. We find PAM FRITZ planning an all-night bush party in JEFF HATCH'S pond area. Mr. Edwards, now head of Hal's Angels, approaches on his Harley Chopper. Revving his motor, he asks Pam why he hasn't been invited. She tells him that he couldn't be fit into the schedule, and also there would be an increased janitorial problem. Since he isn't invited, he inquires about the members of the class. Pam tells him that:
